We are in the process of modeling part of Becker & Dallies on our HO scale exhibit. Do you have any pictures or information from aound 1958, that we could use to build these models? The buildings were chosen for uniqueness, or significance to SWMRM history and are listed below:

1. Auges Service Station E. Renkein Ave.
2. White building and strip mall (now a art gallery) on Becker and 1st by Pete's.
3. Eva's red house on Becker
4. Eva's Grocery on Becker
5. Central Hotel on Becker & Second.
6. Hotel Belen on Becker & Second.
7. Becker St Pub (now a pot shop) on Becker, just west of the Hotel Belen

11. Tabets Building west of 505 Art Studio

13. The bank on Becker, just east of Main. The issue is we need one from the 1950's. Any ideas? Would need several pictures to model from, unless we model the existing bank...
14. There was something just west of the bank between Becker and Dallies many years aro. Any ideas on what that was? Was it there in the late 50's ? Are there any pictures?
15. Kuhn Hotel on 1st St
16. RELS House from 5th and Dallies
17. Cambell Garage on 2nd St and Castillo
18. Pete's orginal diner on 1st St
19. Church that used to be on 5th?, just north of Anna Becker Park
20. If we can find room, the old Belen City Hall, less judges/courtroom area

Thanks,
Jim
